## Taiwan: CRS Reporting Deadline Extension

On 31 May 2021, the Ministry of Finance issued a press release to announce that the CRS reporting deadline for the 2020 reporting period has been extended to 02 August 2021 due to the severe impacts of COVID-19.

The Ministry of Finance also encouraged Financial Institutions (FIs) to prepare filing materials as early as possible and reminded them of the differences in the CRS Reporting for 2020 as compared to previous years, including:

- The addition of reportable accounts held by tax residents of the United Kingdom,
- Information of all pre-existing individual and entity accounts must be reported, and
- A new XML version available at the Ministry's website (https://www.cfi.mof.gov.tw) should be used.
