

Unlock potential

KPMG Powered Enterprise | Procurement
enabled by Coupa

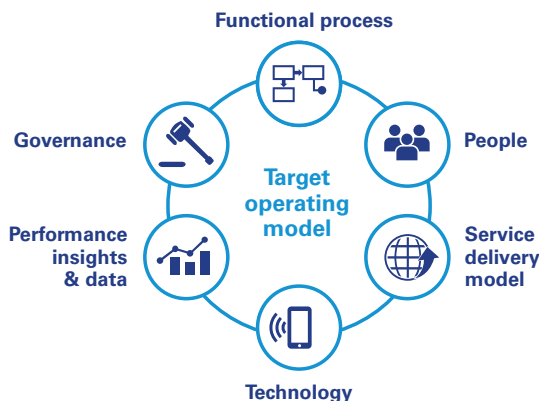

To disrupt you must transform

71%¹ of CEOs plan to radically transform their organisations' operating model – and more than half say that acting with agility is the new currency of business. CPOs have a pivotal role to play in how the organisation, its suppliers and its people respond.

- CPOs have important questions
- How can procurement help unlock transformation?
- Can I be a better partner to my business?
- How do I move away from a mix of models and processes?
- Can I drive value with richer spend analytics?
- What is the best way to make change happen smoothly?
- Powered Enterprise accelerates procurement transformation
- At the heart of KPMG Powered Enterprise | Procurement is a pre-built target operating model that complements Coupa in the cloud.

KPMG teams understand the human factors involved in business transformation. We can help inspire and empower your people and partners to embrace change, as you align your workforce transformation with industry disruption.

A pre-configured Coupa cloud solution, embedded with years of leading practice and enhanced with automation, Powered Procurement enables you to quickly transform and aims to derive maximum value from your move to the cloud.

Powered Procurement enabled by Coupa is the outcome-driven solution that helps prepare your business for the future.

1: KPMG CEO Outlook Survey, KPMG International, 2018

It's not what you put into the cloud that matters, but what you get out of it

Powered Enterprise | Procurement provides:

- A jump start to your digital transformation
- Immediate access to leading practices and processes
- Validated solutions with proven real-world usability
- Reduced implementation risks and enhanced ROI
- High-touch change management and employee experience
- A solid platform for continuing evolution and progress

// Powered enables us to see the future, relate it to what we have today and move forward with leading practice. //
– A multinational hospital

// KPMG was a perfect fit for us, bringing the tools and experience necessary for us to make a complete and smooth transition to the cloud. //
– A US building material company

Going beyond efficiency gains

Powered Procurement enabled by Coupa focuses on the future agility of your business. It reaches beyond efficiency gains from traditional procurement-related tasks by using automation, predictive analytics and cognitive learning to extend the role of procurement. This will not be a legacy you need to discard in five years' time.

What's in the box?

Powered Procurement provides a formidable combination of leading practices and processes, proven technology solutions and a next-generation delivery framework.

- The Powered operating model shapes how transformation plays through every layer of your organisation;
- the Powered execution suite is an integrated platform of next generation tools to help deliver functional transformation;
- and Powered managed services provides access to specialised resources to drive continuing evolution.

The Powered Enterprise operating model
