KPMG in Bahrain

Your oil and gas VAT specialists

KPMG in Bahrain has the most experienced, diverse and largest VAT team in Bahrain – over thirty specialists with extensive VAT experience gained globally across jurisdictions such as Australia, Europe, India, Malaysia, South Africa and locally across the GCC – our depth and breadth of experience is unparalleled in the Bahrain market.

VAT impacts different economic sectors in different ways. VAT for the oil and gas sector can be complex and challenging with varied VAT treatments based on the nature of goods or services being supplied in both upstream and downstream sectors. It is also critical to consider the VAT implications of various transactions such as cash calls, grant of exploration rights, borrow & return arrangements and farming arrangements. Our sector specialists, with their deep understanding of the oil and gas sector, will assist you in navigating the complexities by providing the right advice with practical solutions to deal with the challenges faced in the oil and gas sector.

Our VAT team’s credentials in the oil and gas sector include:

Bahrain’s national petroleum company engaged in oil exploration, refining and distribution of petroleum products and natural gas

Leading suppliers of heavy machinery and specialised equipment to the oil and gas sector

Investment and development arm of Bahrain’s oil and gas regulator

Local operations of the largest international cooperative responding to oil spills across the globe

Leading liquefied petroleum gas producer operating plant facilities in Bahrain

Owners/operators of several fuel stations located across Bahrain

Operator of offshore terminal for receiving, storage and regasification of liquefied natural gas
