July 2019

In this edition of *Latest insights on Insurance*, we are pleased to share the areas of focus with the amendments to IFRS 17 as well as the value of digital technologies to advance business strategy. Also inside, you will find our latest thought leadership on elevating the value of internal audit, business resilience, regulatory updates, and more.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these or any other business issues with you.

Sincerely,

Mike Morrison
