

LINK TP – Automated and D&A driven TP compliance

Global Transfer Pricing Services

LINK TP is KPMG Switzerland's solution that allows you to establish an end-to-end process, ranging from data gathering over data analytics to the automated preparation of transfer pricing reports, such as Local Files.

Why LINK TP?

Automate your annual TP compliance process!

Spend less time to gather the right data!

Get more control and data insights!

LINK TP will help you reducing manual tasks, improving data quality and is a global solution to prepare your local transfer pricing reports.

1 **Workflow management**

LINKTP workflow functionalities automatically retrieve required quantitative and qualitative information

2 **Data analytics**

A global data model ensures consistency, highest data quality and insights

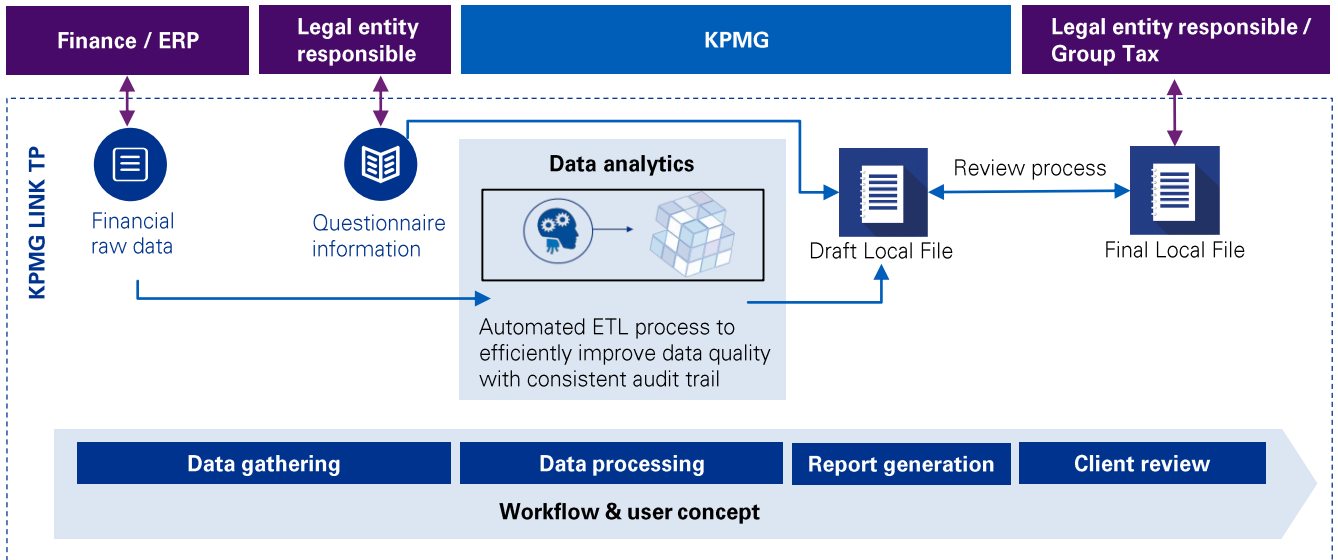

3 **Automated report generation**

Reports are prepared with a DocWriter functionality based on tailored templates for highest reporting standards

LINK TP – KPMG’s TP compliance solution

LINK TP is KPMG’s transfer pricing compliance solution. It is state-of-the-art technology and combines workflows, data analytics and report writer functionalities.

What are your benefits?

- ✓ Faster annual TP compliance process through automation
- ✓ Real-time status monitoring and elimination of e-mail traffic
- ✓ Increased data quality through automated checks
- ✓ Additional data insights
- ✓ Reduced long-term TP compliance costs
