

D.O. NO.H-11015/11/2020-W.II

April 08, 2020

Dear Shri Barthwal ji,

As you are aware that the nation is dealing with a challenging situation due to the COVID-19 pandemic and country wide lock down which has placed financial constraints on the poorer sections of the society, especially the migrant workers. All State/UT Governments have been directed to take appropriate measures to ensure effective implementation of the lockdown on maintaining social distance, while mitigating the economic hardship of the migrant workers during this period.

2. Now, with the 21 days lock down phase nearing completion, in order to work out further strategy, it is necessary to have information on these migrant workers housed in the camps, including information/data regarding their occupation, residence address, native district, State etc.

3. In this regard, State/UT Governments have been requested to compile the data of the migrant workers at District and State Level as per attached format and share it with the Ministry before 11th April, 2020 on daily basis.

4. It is reiterated that the data as mentioned above is urgently required and all Deputy CLC(C)/Regional Labour Commissioner(C)/Assistant Labour Commissioner(C) have been nominated as nodal officers to coordinate with the State Government/District Administration for the task. They are required to constantly be in coordination with the State Governments and district administration authorities for ensuring that the data is sent to the Ministry.

5. In view of the above, you are requested to advise the respective State, Regional and District level officers under your organization to provide all assistance to get the data from state/districts. The nodal officers nominated by CLC(C) will be available to assist the officers of your organization to compile the data.

With regards

End: As above

Shri Sunil Barthwal,
CPFC, EPFO, New Delhi

Yours sincerely,

(Heeralal Samariya)
