

## Mauritius exits the EU list of High-Risk Third Countries

The European Commission confirmed on 7 January 2022 that Mauritius has been removed from the European Union (EU) list of high-risk third countries, following measures taken to improve its AML/CFT regime.

It is to be noted that Mauritius was also removed from the Financial Action Task Force (FATF) list of jurisdictions under increased monitoring in October 2021.

Mauritius is also on the OECD white list for uncooperative tax jurisdictions following changes made to its tax regime in 2018.
