For Corporations, Partnerships and Other Non-Individual Taxpayers

Who Shall File

Every corporation, partnership no matter how created or organized, joint stock companies, joint accounts, associations (except foreign corporation not engaged in trade or business in the Philippines and joint venture or consortium formed for the purpose of undertaking construction projects or engaging in petroleum, coal, geothermal and other energy operations), government-owned or controlled corporations, agencies and instrumentalities shall render a true and accurate income tax return in accordance with the provisions of the Tax Code. The return shall be filed in triplicate copies by the president, vice-president or other principal officer and shall be sworn to by such officer and by the Treasurer or Assistant Treasurer.

Every general professional partnership shall file a return of its income setting forth the items of gross income and of deductions and the names, TINs, addresses and shares of each of the partners.

When and Where to File

The corporate quarterly income tax return shall be filed with or without payment within sixty (60) days following the close of each of the first three (3) quarters of the taxable year whether calendar or fiscal year.

The return shall be filed with any Authorized Agent Bank (AAB) located within the territorial jurisdiction of the Revenue District Office where the taxpayer is required to register/which has jurisdiction over the location of the principal office of the "CORPORATION" filing the return.

In places where there are no AABs, the return shall be filed directly with the Revenue Collection Officer or duly Authorized City or Municipal Treasurer within the Revenue District Office where the taxpayer is required to register/which has jurisdiction over the location of the principal office of the "CORPORATION" filing the return.

When and Where to Pay

Upon filing of this return, the total amount payable shall be paid to the Authorized Agent Bank (AAB) where the return is filed. In places where there are no AABs, payments shall be made directly to the Revenue Collection Officer (RCO) of the RDO having jurisdiction over the location of the principal office of the "CORPORATION", who shall issue an Electronic Revenue Official Receipt (eROR) therefor.

Where the return is filed with an AAB, taxpayer must accomplish and submit BIR-prescribed deposit slip, which the bank teller shall machine validate as evidence that payment was received by the AAB. The AAB receiving the tax return shall stamp mark the word "Received" on the return and also machine validate the return as proof of filing the return and payment of the tax by the taxpayer, respectively. The machine validation shall reflect the date of payment, amount paid and transactions code, the name of the bank, branch code, teller's code and teller's initial. Bank debit memo number and date should be indicated in the return for taxpayers paying under the bank debit system.

Payment may also be made thru the epayment channels of AABs thru either their online facility, credit/debit/prepaid cards, and mobile payments.

For EFPS Taxpayer

Normal Rate of Income Tax ————— 30%

Deductions

A corporation shall choose either the itemized or optional standard (described below) deduction. It shall indicate the choice by marking with "X" the appropriate box, otherwise, the corporation shall be considered as having availed of the itemized deduction. The choice made in the return is irrevocable for the taxable year for which the return is made.

Optional Standard Deduction (OSD) – A maximum of 40% of the gross income shall be allowed as deduction in lieu of the itemized deduction. However, a corporation who availed and claimed this deduction is still required to submit its financial statements when it files its annual tax return and to keep such records pertaining to its gross income.

Itemized Deduction – There shall be allowed as deduction from gross income all the ordinary and necessary trade and business expenses paid or incurred during the taxable year in carrying on or which are directly attributable to the development, management, operation and/or conduct of the trade and business. Itemized deduction includes also interest, taxes, losses, bad debts, depreciation, depletion, charitable and other contributions, research and development and pension trust.
