

KPMG operates as a global network of independent member firms offering audit, tax and advisory services; working closely with clients, helping them to mitigate risks and grasp opportunities. KPMG member firms can be found in 146 countries. Collectively they employ more than 227,000 people across a range of disciplines

KPMG in Serbia is currently seeking for an **Advisory Senior Associate**

KPMG's Senior Associate in Advisory team will have the opportunity to work in specific business areas of Deal Advisory (Transaction & Restructuring Services).

#### Tasks and responsibilities:

- Identifying key issues, carrying out the relevant financial analysis, interpreting results, and reporting key findings.
- Evaluating a business' historical performance and sustainability of earnings/cash flows, working capital cycles, financial projections, key contractual commitments, accounting policies and management control environment.
- Carrying out financial due diligence exercises and independent business reviews.
- Independently covering entire sections of several Report formats including qualitative analytic commentary on certain aspects of the Company's financial statements and reporting key findings to line Manager.
- Financial modeling and scenario analysis for M&A and for restructuring.
- Establishing credibility with clients as a representative of KPMG Transaction & Restructuring Services, developing relationships with current and prospective clients.
- Managing portfolio of projects and clients.
- Mentor junior team members.
- Undertaking research which leads directly to the origination of a deal for a client.
- Working in a team advising on the most appropriate debt structure for a business.
- Collecting and analyzing financial information from a virtual data room, and report key findings and recommendation.
- Reviewing financial information of the client.

#### Requirements:

- Previous finance experience in a consulting/corporate environment (experience in financial due diligence, restructuring and financial modeling is preferred) of at least 3-5 years
- University degree
- Relevant international certificates and a professional accountancy qualification (ACCA, CFA, etc.).
- Proven record of successful projects
- Strong interpersonal, written and oral communication skills, analytical skills including report writing and presentation skills.
- Fluent in English and knowledge of any additional language is a plus
- Highly motivated, excellent organizational, team leadership and communication skills and multitasking
