About KPMG: How we can help

KPMG – East Anglia

Operating from our offices in the heart of Cambridge and Norwich we deliver a range of services to clients in both the public and private sectors. Our local presence and knowledge is reinforced by the ability to access KPMG's global network of over 200,000 people. We work with early stage businesses, family-and owner-managed concerns, AIM and fully listed international entities and are delighted to have a significant number of key regional companies amongst our clients.

With over 150 staff in the region we draw on our experience to advise our clients on Audit, Tax, Pensions, M&A and a wide range of Advisory services. KPMG's East Anglia team helps its clients tackle a range of simultaneous issues they face-and capitalise on opportunities – at every stage of their lifecycle.
