## Legislative update: House passes health-related bill, includes proposed excise tax on vaping products

The U.S. House of Representatives today passed H.R. 2339, the “Protecting American Lungs and Reversing the Youth Tobacco Epidemic Act of 2020,” by a vote of 213-195.

H.R. 2339 would impose an excise tax on nicotine for use in vaping, and would permit health savings account (HSA)-eligible high deductible health plans to provide coverage of certain inhalers and nebulizers without satisfaction of the plans’ minimum deductible.
