KPMG report: State and local tax guidance, tax relief (COVID-19) (updated May 1)

U.S. state and local jurisdictions continue to provide tax relief—such as extensions of time to file returns or to pay state and local taxes, or both—in response to the coronavirus (COVID-19) pandemic.

KPMG's State and Local Tax practice has prepared a report that, in table format, provides a summary of guidance from jurisdictions on extensions of time for filing returns and paying income, sales and/or other state taxes, or penalty relief in light of COVID-19.

In this [KPMG report \(1 May\)](#) [PDF 287 KB], there is updated information from:

- California (unclaimed property)
- Maine (income tax)

Hyperlinks are provided in the table to the state or municipal website where additional guidance can be found.
