### Japan: Issued Updated FAQs on the AEOI Reporting System

In December 2022, the National Tax Agency of Japan updated its Common Reporting Standard (CRS) reporting FAQs. The updates are as follows:

- Added a question on the process to confirm the completion of CRS reporting through the e-tax portal. A message for "Financial account information report for non-residents" procedures will be sent to the FI's inbox in the portal when the CRS reporting has been completed through the e-tax portal. The reporting will be deemed to be completed if the reception result column of the message displays "receipt completed" (Q 1.1.12).
- Updated the question regarding the country (region) code that should be used when generating data for the report to reflect the latest list of reportable jurisdictions (Q 3.2).
