### About the KPMG Global Energy Institute (GEI)

Launched in 2007, KPMG's GEI is a worldwide knowledge-sharing platform focusing on current issues and emerging trends within the energy industry. This vehicle for accessing valuable thought leadership, studies, events, and webcasts about key industry topics and trends provides a way for energy executives to share perspectives on the challenges and opportunities facing the energy industry—arming them with new tools to better navigate the changes in this dynamic arena.
